

Native ARC Fund-raising Events Reptile Husbandry Series 2017

Dr Lisa Winters will be presenting two seminars on reptile husbandry. Dr Winters has more than 10 years experience as a reptile keeper and veterinarian and has worked closely with a variety of groups to develop best practice husbandry and care techniques for reptiles, including wild reptiles.

Bearded Dragons and Bobtail Lizards

Monday 14 August 6.00pm – 9.00pm
172 Hope Road Bibra lake

What every keeper should know about: - Husbandry - Vivarium set up – A step by step set up of a vivarium including size requirements, cage furniture, substrate, heating and UVb requirement - Outdoor keeping vs indoor keeping - Nutrition - Common health issues seen by a reptile veterinarian - Bonus topic: Discussing a new, novel technique for sexing bobtails and blue tongues - Round Table discussion: your chance to ask a panel of experts questions.

Cost: \$25.00 or \$15.00 for Native ARC and WAHS Members

Pythons

Monday 28 August 6.00pm – 9.00pm
172 Hope Road Bibra Lake

What every keeper should know about: - Husbandry - Vivarium set up – A step by step set up of a vivarium including size requirements, cage furniture, substrate and heating requirements - Nutrition - Common health issues seen by a reptile veterinarian - Bonus topic: Discussing snake viral diseases and quarantine - Round Table discussion: your chance to ask a panel of experts questions.
