

Native ARC Training Events

Wildlife Triage and First-Aid Workshop

This one day workshop is designed to introduce participants to the area of triage and first-aid of wildlife. It will provide a theoretical understanding and practical skills to assist with providing emergency care to sick, injured and orphaned native wildlife.

The course will provide a theoretical understanding of working in a wildlife hospital and the various issues pertaining to this field and will incorporate practical components.

Workshop will include:

- Baby Bird Rehabilitation (this session can be purchased separately)
- Wildlife Triage and Admission (*practical*)
- Assessment and Examination
- Viability Assessment and Euthanasia
- Fluid Replacement (*practical*)
- Medication Administration (*practical*)
- Supportive Care

Maximum 20 Participants

Cost: \$50.00 (40% OFF for Native ARC Members)

email info@nativearc.org.au for discount code
